

**SAVE THIS DATE!**

**Alternative Fuels Workshop  
Thursday, April 23, 2009  
2:00 PM-5:00 PM**

**Held at the KSFB offices:  
5047 Union Street, Union City, GA, 30291  
(Extra parking available across the street at courthouse)**

Come and learn how to take advantage of the numerous federal programs and tax incentives now for renewable fuel production and green job growth!

**Alternative fuels can make a difference by:**

1. Reducing dependence on foreign oil
2. Creating "Green" jobs
3. Preserving the environment

This event is sponsored by:  
Keep South Fulton Beautiful and The Biofuels Racing Alliance

This workshop will be taught by members of The Biofuels Racing Alliance who have much experience in the field. They work with governments and organizations all over the country! Don't miss this unique and informative workshop!
